MEMORANDUM

TO: Board of Directors - Fire Protection / Water Conservation Districts
FROM: Jeffery M. Woltkamp, Auditor-Controller 
SUBJECT: Proposition 4 - Government Spending Limit Calculation for FY 2024-2025

Attached is the 2024-2025 Proposition 4 Appropriation Limit proposed for your district.

The factors used in computing the Limit are provided by the State Department of Finance.

If you agree with our computation, we recommend that you adopt a resolution to establish your FY 2024-2025 appropriation limit before the end of the current fiscal year, and forward a copy of the resolution to us.

If your district has a higher percentage change in non-residential assessed valuation from fiscal year 2022-2023 to fiscal year 2023-2024 than the percentage change of CPCPI (3.62%), we can adjust the computation upon receiving the supporting documentation. If you have a special population growth study performed by the State Department of Finance for 2024-2025, please forward a copy to us so we may update the Spending Limit computation.

Should you have any questions regarding the spending limit, please contact Tammy Lagorio at our office at 209-953-1184.
